

Donald Bowling Club Report.

Donald A team playing in the 2<sup>nd</sup> division against Warracknabeal again won comfortably on Saturday.

It was cold and windy and the green was heavy and difficult because of the rain during the week.

Donald however prevailed in all four teams , Don Millsom with Daniel Pettifer, Jack Burke and Neil Mellings winning 11 shots up . Norm Hollis with Russ Hose , Bill Hegarty and Roger Brennan winning with 10 shots up. Robert Dunstan with Allan McClelland , John Howley and George Bowles won with 3 shots up and Peter Wyllies team of Ian McEwen ,Dennis McLachlan and Max Harris scraped home one shot up . Not helped a lot by their third, no names, putting down a couple on the wrong bias and missing a couple of easy drives! It was another good win 100 shots to 75 and 18 points to zero.

Division 3 were not able to field a team to go to Hopetoun and Hopetoun also could not field a team on the day so the points for the day will be shared .

Norm Hollis, Don Millsom, Dennis McLachlan and George Bowles won the star day at Minyip on Sunday the 10<sup>th</sup> Oct . Well done guys and also well done Don Millsom skipping in place of Jack Collins who was not able to attend Saturday.
