

Donald Bowling Club Report for Nov 6th

Donald A team came home 111 shots to 77 and 16 points to 2 verses Brim at Brim on Saturday.

The green was running well but the wind chopped and changed during the day.

Norm Hollis's four with Russ Hose, Bill Hegarty and Roger Brennan won convincingly by 20 shots Jack Collins with Daniel Pettifer, Jack Burke and Neil Mellings defeated G Addinsal's four by a margin of 14 shots . Don Millsoms four with Keith Smith, Ian McEwen and Max Harris won with 12 shots up against Buddy Whitneys combination ..

However Brim prevailed in the game Robert Dunstan, Alan McClelland , John Howley and George Bowles played against K McKenzies four going down by 14 shots .

At Home on the Donald Green division 3 went down again to Rupanyup. However it was close as Peter Gherardi's four of Dennis McLachlan, Peter Pendlebury and Kevin Warner went down one shot on the last end. Ian Pendlebury,s team of Ivan Leeder , Dorothy Warner and Jason Voigt went down by three shots and Peter Hoare with Lorraine Loats , Marge Collins and Frank Cinalia went down 33 shots to 17 . Heard that Rob McQueen was red Hot as Skipper for Rupanyup and whenever Donald was holding, most times he was able to get in and score.

It is good to have some ladies making up the numbers as most clubs are having difficulty fielding full teams without them.

Ian Pendlebury will be pleased to know World Bowls has reversed the 23 metre rule for the shortest bowling length back to 21 meters as it was in the past . Ian had written letters to the bowling authority seeking restoration of this rule and along with the right to pass the Mat to the opposition when an end is won will be revoked, these rules will take effect January 1st 2011.

These letters don't fall on deaf ears and as they said in the communiqué. The Club Bowlers have spoken.

Congratulations due to Norm Hollis, Robert Dunstan and Bill Hegarty winning the Turkey Triples at the Golf Club Bowls Club on Melbourne Cup Day
