

Donald Bowling club Two's and Three's teams both go down in the first Pennant for the year.

The two's side lost to Warracknabeal Golf on Saturday at Home on the Donald green .

Norm Hollis's team of Russ Hose , Bill Hegarty and Roger Brennan managed to win 27 shots to 21 and Jack Collins also with Max Harris , George Bowles and Neil Mellings won their game 28 to 25, not without a couple of "Don't leave me now " exclamations from JC.

The team of Peter Wyllie with Don Millsom , Ian McEwen and Bruce Hester had a bad day of bowls all round, going down comprehensibly to Mick Marchments four of T Sanders, B Bailey and A Thomas could not do anything wrong all day winning 31 shots to 12. Bruce was the only one with an excuse as He had "put off" a Dental appointment to play his first pennant with the club but he had to battle along with painkillers and blurred vision all day. The other three players had no such excuse.

Robert Dunstan with Keith Smith, John Howley and Alan McClelland were well in front at afternoon tea time against a team of Ladies led by Edna Anderson but at the end of the day found themselves down 26 shots to 21 . The comment from this team was it was a privilege to play against Edna who is a State level skipper.

The Three's side went to Murtoa and although a couple of teams put up a good fight eventually all succumbed to the home team 69 shots to 46. Thanks to the Ladies who helped make up our team on this trip Kay Wyllie ,Brenda Brennan, Dawn Hadfield and Alison McEwen.
